1. Chapter 1

Will was riding home from school on his bike along the quiet street surrounded by trees and grass and nature. The smell and scenery was so nice he forgot to keep track of where he was going. Before he even knew it he was home. He walked up the steps on his patio and took off his shirt. He stood there for a few minutes before getting chilly and going inside. He walked into the kitchen and then down the hall leading to his bedroom. He walked down but instead of going into his own room he went into his 17 year old brothers room. He took advantage of his time alone so he sat on his bed and grabbed one of the hidden porn magazines hidden under Jonathan's cabinet. He flicked through them before finding a sock. An oddly sticky sock.

"Will? What're you doing in here?" Jonathan asked behind him. Will jumped but Jonathan didn't sound angry, or disappointed or anything really.

"I- uhhh- nothing, I was looking for my X Men comic books. I didn't even know you were home" Will said, going red

"Hmmm sure, so what's my sock doing there then?" Jonathan laughed

"It must have fallen."

"From where? Your hand?"

"No! Ew! Gross!" Will feigned disgust

"Fiiine" Jonathan said walking past him and laying down on his bed. He turned on his own TV and porn started blaring out.

"AHHHH" they both screamed, Jonathan out of embarrassment at the last thing he watched, Will out of actual disgust at something he had never seen before. Two naked people! On top of each other! Jonathan could feel his big dick stirring in his trousers, a bulge started to appear.

"Hey! Jonathan! What's happening?!" Will said terrified. Jonathan looked over at Will and then followed where will was pointing. There

was a tent in his shorts. Will was about 14 but he didn't have a Dad so there was nobody to talk to him about this stuff and Jonathan didn't want to because it was awkward.

"Oh" Jonathan sighed "You have a boner."

"What's that? Why is my dick hard?!" Will asked, scared

"It's where a guy gets excited at something he sees"

"Is it bad?" Will asked pulling his shorts down to show his brother "Is it meant to be like this?" His little brother was 5 inches with foreskin that completely covered the head and it was the same colour as the rest of his body.

"I- Yes that's fine Will" Jonathan said awkwardly.

"How does it go away." Will inquired

"Well you can wait for it to go or you can jack off"

"What's jacking off?"

"What? None of your friends talk about it?" Jonathan said, shocked

"Yeah but I don't understand it"

"Well..." Jonathan cleared his throat "it's where you grab your dick and you just play with it. Like move your hand up and down"

"Can you show me?" Will asked

"What?! No way Will!" Jonathan exclaimed

"PLEASE, I don't get it!"

"Fine..." Jonathan sighed. "But don't tell mom. Go grab me a banana."

"Why?" Will questioned

"So I can demonstrate?"

"Yeah but I don't want to see it done on a banana. I want to see it on a real penis." Will groaned

"Oh my god fine Will." Jonathan half shouted before pulling down his trousers and leaving his boxers up still, letting his huge bulge show. He was soft but still had a huge member. He paused for a few second before pulling out his thick 5 inch uncut cock. It was pale and veiny and the foreskin covered the perfect amount. Although soft, it was the same size as his little brothers (except way thicker and more mature looking) it grew. It grew to about 9 inches when hard and Jonathan was half excited for Will's reaction. He started touching his dick and feeling the blood rush to the end.

"This is what it looks like to get hard" Jonathan said as his dick reached about 7 inches

"It's huge!" Will shouted in awe

"It's not even all the way there yet" Jonathan smirked. He carried on touching his dick but not actually jacking off. When it reached its full 9 inches Will was in complete shock. Jonathan pushed it away from his stomach and let it ping back, making a slapping sound, a few times. He then wrapped his long pale fingers around his cock and started wanking. He moaned, not embarrassed to show his little brother anymore. After a while he removed his hand, spat on it and carried on.

"Ew, why would you spit on it?" Will asked

"To make my hand move smoother" Jonathan stated knowingly "but it's better when someone's mouth is on there, or their pussy.

"PEOPLE PUT THEIR MOUTHS ON THOSE!?" Will burst out

"Yeah it's amazing. For both people. Why don't you try it."

"Ummm OK then" Will moves his face forward towards his big brothers dick

"WOAH WHAT ARE YOU DOING?" Jonathan tilted his dick away from Wills face

"You said try it!" Will looked scared

"No I meant try jerking off"

"Oh ok then" Will spat on his hand and started fisting his dick in jerky movements "this doesn't even feel nice"

"Cause you're doing it so bad, that's why." Jonathan laughed

"You do it then" Will retorted. Jonathan spat in his left and stuck it out and grasped Will's dick. Jonathan's big hands completely wrapped around Will's dick. Jonathan started moving his hands at the same time.

After a while Jonathan came back to reality

"Do you think you can do it now?"

"Yeah I'll try" Will answered and he started jerking off his dick the same as how his big brother instructed him to. Before long it started to tingle and Will stopped abruptly.

"Why did you stop?" Jonathan asked looking at his brother's hard dick

"Because it felt like I was going to pee!" Will looked scared that he was about to piss on his brother

"Quick carry on!" Jonathan said "it will feel so nice. It's called cum" Will carried on wanking and before long started rocking backwards and forwards and gave out a loud moan but nothing came out of his dick

"Oh" Jonathan said flatly "You can't even cum yet"

"Why?" Will said sadly

"It will come with age don't worry" Jonathan breathed as he picked up the pace on his own dick. He started thrusting into his hand and lifting himself up from his bed, his eyes rolled in his head and he was moaning very loudly. With one final moan he came all over his stomach and bed. His cum flew everywhere

"Wow that was so cool!" Will said excitedly looking at Jonathan's dick shrinking back to its normal size

"Well now you know that you basically know everything" Jonathan said "all there is now is just doing it in different ways with different things"

"So I could do that with your dick? Like how you grabbed mine?"

"Yeah I guess so... how about next time I need to wank I'll come to you and you can do it for me." Jonathan smiled

"Yeah sounds good" Will said before walking out of Jonathan's room
